By choosing "Skip-A-Payment" you agree: that interest will continue to accrue during the "Skip-A-Payment" period; that by electing to skip a payment the total interest charge will increase and extend the time required to pay your loan (s) in full based on your required minimum monthly payment; that any internal "distribution" will stop for the month being skipped, and restart the following month; that automatic payments coming from another financial institution will be deposited to your savings account at CFCCU. All loans must be current and in good standing. All requests for the "Skip-A-Payment" promotion are subject to approval. Loans secured by real-estate, single payment notes, business loans, Overdraft Protection Line of Credit loans, and credit cards are not eligible. GAP insurance may not cover skipped payments in the event a claim is filed (refer to your GAP contract for details).
