WITHHOLDING NOTICE FOR IRA ACCOUNT HOLDERS

Payments from your IRA are subject to federal income tax withholding unless you elect no withholding.

You may change your withholding election at any time prior to your receipt of payment.

To change your withholding election, complete the appropriate form provided by your credit union.

Withholding from IRA payments, when combined with other withholding, MAY relieve you from payments of estimated income taxes. However, your withholding election does not affect the amount of income tax you pay.

You may incur penalties under the estimated tax rules if your withholding and estimated tax payments are insufficient.
